Teaching resources

Figure 3 in The Scale and Impact of Viking Settlement in Northumbria by Julian Richards and Dave Haldenby.

<https://doi.org/10.1080/00766097.2018.1535382>

This page contains images of Viking and Anglo-Saxon artifacts found in archaeological digs across England, including the brooch spoken about in the podcast. This resource can be used to visualise the physical legacy of these groups, and how this informs what we know about their day to day living.

(See Project Output folder for downloadable pdf.)

<https://www.visionofbritain.org.uk>

This page is an archive holding census data and maps of Britain throughout history. It is interactive and addresses can be inputted to display maps of specific areas to view how individual locations and place names have changed geographically. It can be used as a resource to further demonstrate the impact of the Anglo-Saxon period on England.
