what is it like being a great leader?

# Boudicca time warp Ad 60

If I travelled back in time I would like to ask her:-

Why did you bring children into your army?

How many people were in your army?

Did you kill the leader of the Roman army?\*

What was your husband called?

When did your husband die?

How old were you when you first battled?\*

What was your last battle like?

What was your first battle like?\*

How many people did you kill?

What was your husband like?

Did you ever fight without your shield?\*

What did you use to poison yourself?\*

**Boudicca's Quest**

**Shrieking swords  
protect me,  
Indestructible shields  
Defend me,  
Thundering army  
Guide me,  
Gathering crowd  
Battle your way  
Through the  
Deadly men  
Enthusiastic moon  
Spare my life  
From the evil troops  
So may I  
Seek my revenge  
For I am Boudicca  
Queen of all times.**
